### **Agenda topics**

Welcome

Introduction of Partners-

Review of Meeting Minutes/Review

#### Underage drinking:

Beverly Cage: Group effort with Del Mar talked to the coalition about students going to make joint the coalition as a youth advisory component and do a PSA soon. Donine and Beverly met a couple of months ago to talk with Dr. Garcia with the Addiction Classes. He is excited and is willing to provide a place for the students to meet once a month. The group of students are very excited to be part of the coalition. The student advisory meeting talked about PSA addictions, bringing awareness at Del Mar College East and West and a community, tagline “#” for the group. The first meeting will be February 16. Starting next month (February) two or three students to come to coalition meeting. The surrounding areas and local police departments do have the “Seat Reserved” sticker placed on their vehicles. Still trying to get ahold of DPS and maybe having them place the sticker on their vehicles. Liquid Town has their stores with our stickers located in the window of each liquor store. As a coalition we discussed Port Aransas hotels/ condos for spring break and their insurances. Also, Donine talked about how S.A.D.D will help out with underage drinking in Ingleside. They will make PSA’s about underage drinking and the harms it does to the body.

#### Prescription Drugs:

Ingleside Police Chief wants to put a Prescription Drop off box in their office. CVS will donate the drop off box.

#### Marijuana:

Ingleside students talked about synthetic marijuana. The Agape Fellowship was to set up parent awareness night once a month. The coalition talked about homeless population and the use of K2 in that community. City is going out to talk to the homeless to identify the problem.

#### Closing:

Questions and Answers:

-Dr. Kost has surgery end of the month

-Went around the coalition talking about the position they are in and what do they do for that position.
