Action Plans on Strategies

Underage Drinking, Marijuana, Prescription Drugs:

Discuss with coalition about the needs assessment. Brought all three categories together for the needs assessment. Asked coalition members about who can get any information to help with needs assessment. Steve Hale told the coalition about having an event in the summer for Taft, TX in order to help make the community about the harmful of drugs and the Drop Off Box. Got ideas from coalition about looking at the pool in Taft, TX. Next, we discuss about the summer activities in Portland, TX to see if we can go to one of the activities to make the community aware about the Drop Off Box.
